Sonja,

Remain on call and I will do everything in my power to dispose of the case without having you make the trek from Amherst to Wareham.

Thanks,

Greg

Hi Greg-

I'm under the impression that you have taken over ADA Kelley's case load in Wareham, so I just wanted to check in regarding the [REDACTED] case scheduled for today (I apologize for not getting in touch with you sooner). I'm assuming that I am on call for the case, but if you definitely need me, give me a call ASAP. It will take me a bit to get to Wareham District Court as I am coming from Amherst, so the sooner I know if I am needed, the better. You can reach me at the lab (413-545-2607) or on my cell [REDACTED]. Thanks.

Sonja,

The [REDACTED] case plead out; however, [REDACTED] case is still alive and kicking. However, it will not be a trial tomorrow. Our file is unclear as to whether witnesses were cancelled, but you're now confirming that they were not. We will send you a new summons for the new trial date once it has been selected tomorrow. I apologize for any confusion or inconvenience.

Thank you,

Greg

Hi Keara-

I curious of the [REDACTED] case is still scheduled for tomorrow, or if it has been resolved? If it is still on, do you want to have me on call, or there at a set time? (I'm not sure where on the trial list the case may be). Thanks.

I am prosecuting the above-referenced cases in Wareham District Court. Could you please provide a copy of your lab notes to provide to the defense in discovery?

The drug certificate number for the [REDACTED] case is [REDACTED]. The case is scheduled for trial on November 29, 2012.

If you have any questions please feel free to contact me.

Thank you,

Keara L. Kelley
